- ✦ Orang not just token, Orang is life. Born from meme multiverse, Orang here to squeeze market and takeover. No promise, only juice. Weak hand? You get peel. Orang strong, orang ETH, orang go to different dimension. Other tokens small snack, Orang big feast. Meme lord approve. This not serious finance—this degen juice factory. You want gains? You hodl Orang. You want tears? You miss out. One rule: Juice or Lose. Orang multiverse open. Are you ready, fren? ✦

Mission

Orang mission simple: Squeeze market, juice gains, takeover, and claim the **Octahedron of Transcendence**. This ancient, mystical meme relic holds ultimate degen power. We bring meme strength to ETH, turning weak hands into diamond ones. Orang here to lead, not follow—no fake promises, only juicy results. In the Orang multiverse, everyone eats (and drinks Bepis). Mission clear: Juice, π e145.21th dimension, and transcend, fren.

The XCHANGE

Xchange, our state-of-the-art OTC trading platform, is a cornerstone of our ecosystem. It offers a seamless and secure environment for trading tokens on the blockchain, ensuring that our users enjoy a hassle-free and enjoyable trading experience.

Key features

crowdfill

When selling a substantial amount of tokens, breaking the order into smaller portions presents an opportunity to engage the community and attract new holders.

privacy

A solution to the trust issue in peer-to-peer (P2P) exchanges through its private exchange feature. Sellers can whitelist trusted counterparties using our escrow smart contract.

rewards & revenue

Breaking down the revenue from the platform fee, fee's will be distributed among the token holders, providing them with a share of the platform's success. The remaining balance will be allocated to the ongoing development and enhancement of the dApp.
